## **Discussions:**

Ron spoke to us about continuing the Special Event games monthly on Friday nights. Mardi gras in February, St Patrick's Day in March, etc. He also asked us to consider raising the Unit Game fees from \$4 to \$6. The board decided to keep the fees at \$4.

Dick Mayer brought up an ethics question involving a member of our unit. It was decided that he needed to look into the rules and make a recommendation for action, if any, by our unit. A letter had already been written by Ron.

Stratification of Unit games was discussed to encourage new players to attend. It is up to the club owners, but we could encourage it with flyers and announcements on the web site. We need a combined e-mail list of new players and need to move the calendar into a more prominent place on the website.

David presented us with a proposed schedule for the 24 Unit games in 2009. It was approved and will be posted on TBC bulletin board and on the website.

A discussion about the Unit subsidizing the food at venues other than TBC was tabled for the next meeting.

There being no further business, the meeting was adjourned at 12:55pm

Respectively Submitted,

Millie Sherman, secretary
