

The class from 4:15pm to 6:15pm on Mondays will become a New Beginners Class on June 12, 2017. We teach from the American Contract Bridge League (ACBL) Series Textbooks which we have available for purchase (\$20 each). The beginning book is titled Bidding in the 21st Century.

Classes are \$20 per session (many students pay by check for four lessons at a time). We talk about the lesson for the first half then play practice hands with questions and answers, so it is very "hands on". Every Tuesday we offer our students an option to attend Supervised Play from 3pm to 5pm where questions about bidding and playing the hand are encouraged (\$5 fee to participate).

The other three classes on Mondays are ongoing with more advanced concepts. The Textbooks for the corresponding successive classes are Play of the Hand, Defense, Commonly Used Conventions, and More Commonly Used Conventions, all with the descriptor in the 21st Century. There is also a class on Wednesdays 7pm to 9pm which is currently about to finish the book on bidding, and will begin the book on Play of the Hand.

We like to keep the classes small enough for lots of individual attention and interaction, so please let me know if this would be of interest to you and your friends.

The classes are held in our home, 183 Corliss Drive. The front door will be unlocked on lesson days, so please just walk right in. We will have coffee, tea, and water available for our students.

We ask that the equivalent of two parking spaces be left open at all times in front of the house directly across from us on Corliss Drive.

The class will only be held if there is sufficient interest and sign-ups.
